Message from the Chairman of the Midlands Squash Union

On behalf of the Midlands Squash Union, I would like to welcome you to the 24th Dave Short Masters Squash Tournament in Pietermaritzburg.

Firstly a warm welcome to all the new players participating for the first time, as well as to all our regular players. It is great to see you all back in Pietermaritzburg and to be able to renew old friendships. There has been a change in the organising committee this year, with Dave Short himself back on the committee for the tournament he founded in 1987, together with Gail Howes, Andrew Pratt, Rob Van Heerden, an old stalwart who also served on the original committee and myself.

I would like to extend a huge vote of thanks to our committee for all their time, effort and hard work in putting together this tournament. A tremendous amount of organisation goes into this tournament and we are extremely fortunate to have people of this calibre, who have only the best interests of squash at heart, involved in planning and running this tournament.

I am delighted that we have had a 25% increase in entries this year from last year, which no doubt is largely due to the reduced entry fee and we would like to take this opportunity to thank each and every one of you for making the effort to support this tournament. We sincerely hope this year's tournament will be as memorable as in previous years.

I would also like to thank the various clubs for the use of their courts and facilities, the court stewards for their assistance and all the captains. I would also like to thank Judy Van der Veen of "In Gear" for her continued support in supplying the shirts each year, together with Peter Jackson of "Jackson Sports - Pmb" and Tony Jackson of "Tony Jackson Sports - Dbn" for the donation of two racquets for lucky draws on Saturday night and Ian Dixon for his articles in the programme again this year.

We have put together an event that we hope you will all enjoy, be able to have great fun, make lots of new friends and play good squash but that at all times good sportsmanship, camaraderie and fellowship will prevail both on and off the courts.

Enjoy the tournament and we look forward to welcoming you back next year.

Yours in Squash

Mike Short
Chairman

DID YOU KNOW?

That at a meeting of the Squash Rackets Association of Southern Africa on 21 December 1959, it was recorded that the following Provinces were interested in the Inter Provincial Tournament to be then known as the Currie Cup of Squash : Eastern Province, Border, Western Province, Natal Rhodesia and Transvaal.

Following this in April 1960, the three brothers Jarvis, donated a trophy in memory of their late Father and thus the annual competition was born, and then known as the Jarvis Cup. The first Jarvis tournament was played in Port Elizabeth and was won by Transvaal.

The first Kaplan cup Inter Provincial for ladies was named after the well known Cecil Kaplan and his wife, Dorothy, and was played in Johannesburg for five years from 1960 until 1965 when it went to Cape Town. Only in 1968 did sense prevail when the two tournaments came together in the then Salisbury and ever since Jarvis and Kaplan have been played together.

JUST A RACKET

Some years ago a Provincial player who was ambidextrous (left and right handed) appeared on court with a racket in each hand! He played merrily switching from left to right hand at will and his opponent could not be blamed for thinking he was seeing double! Controversy was raging from pub to pub and the question is " What would you have done under the old rules of the time ?"

Cheers

Ian Dixon
