WINTER LEAGUE

14 APRIL – 15 SEPTEMBER 2026

A massive thank you to Denis Harel for his continued support and belief in our squash community—your commitment truly makes a difference

Winter League matches are usually played home-and-away, giving teams the chance to host and travel. While catering isn't compulsory, a little courtesy goes a long way—please let your opponents know ahead of time if snacks won't be on offer.

Protea, our well-deserved 2025 Club of the Year, will proudly host the prizegiving on 25 September—an event not to be missed! With the date falling on the Heritage Day long weekend, make sure you keep that Friday free

A quick reminder that all junior players must wear protective eyewear, in line with SquashSA regulations—safety first.

To keep up with results, logs, standings, and fixtures, all players are encouraged to register on SportyHQ:

www.sportyhq.com

Finally, the Men's 1st League finals will once again be played at a single venue. Keep an eye on our social media pages and WhatsApp groups for updates and announcements.
